Respite Funding

Did you know every Marin County RFA home has 56 hours of respite funding to use by June 30, 2025! Using your respite care funding is as easy as 1, 2, 3!

Steps:

1. Find an alternative caregiver or respite provider. Make sure they are a vendor with Marin County. Have the individual provide care to the foster youth.
2. Provider and Resource Parent complete the Respite Care Provider Invoice. Make sure to sign the form!
3. Email the Respite Care Provider Invoice to Respite@marincounty.gov

Tips:

The maximum daily respite of 4 hours is equal to the daily rate for a placement stipend. For example: if your youth is staying with the provider for 3 nights, that would be 4 hours a day for a total of 12 hours.

Feel free to reach out to your Respite Care Team if you have any questions, want to know how many hours you have left to use, need your vendor number, or need help on completing the invoice!
